Annual 47 C.F.R. § 64.2009(e) CPNI Certification
EB Docket 06-36

MJ Communications, Inc., hereafter referred to as "Carrier", has established operating procedures that ensure compliance with the Federal Communication Commission regulations regarding the protection of customer proprietary network information ("CPNI").

- Carrier has access to a system whereby the status of a customer's CPNI approval can be determined prior to the use of CPNI.
- Carrier educates and trains its employees regarding the appropriate use of CPNI. Carrier has established disciplinary procedures should an employee violate the CPNI procedures established by Carrier.
- Carrier maintains a record of its and its affiliates' sales and marketing campaigns that use its customers' CPNI. Carrier also maintains a record of any and all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI. The record includes a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as a part of the campaign.
- Carrier has established a supervisory review process regarding compliance with the CPNI rules with respect to outbound marketing situations and maintains records of carrier compliance for a minimum period of one year. Specifically, Carrier's sales personnel obtain supervisory approval of any proposed outbound marketing request for customer approval regarding its CPNI, and a process ensures that opt-out elections are recorded and followed.
- Carrier took the following actions against data brokers in 2012, including proceedings instituted or petitions filed by Carrier at a state commission, in the court system, or at the Federal Communications Commission: NONE
- The following is information Carrier has with respect to the processes and instances pretexters have used to attempt to access CPNI on Carrier's system. Carrier has determined that no pretexter has attempted to access CPNI on Carrier's system.

- The following is a summary of all customer complaints received in 2012 regarding the unauthorized release of CPNI:
